Where Friends & Family Meet Downtown

The Summit Station Eatery was originally founded in 1926 as the Atlantic Service Station on Summit Avenue at Davie. The Blue Door Antique Shop occupied the building to the left of the station. To the right was the annex for Wesley Long Hospital, founded in 1917 by John Wesley Long. Across the street stood the First Presbyterian Church, built in 1824 and now known as the Greensboro Historical Museum.

We at The Station are proud of the history at our building here at 125 Summit Avenue. We hope you enjoy your experience!
